1. Control Panels

V2 FLEXY 2

230V analogue control unit for swing gates and sliding gates.

V2 EASY 2

230V analogue control unit for rolling shutters with courtesy light and automatic closure

DOUBLE RELAY UNIT FOR INDUSTRIAL MOTORS

V2 HEAVY 1

230V digital control unit with INVERTER for 230V three-phase motors

V2 HEAVY 2

230V/400V digital control unit for 230V/400V three-phase motors

V2 CITY 1

230V digital control unit for swing gates (single and double leaf) and sliding gates

BENINCA HEADY

230 Vac control unit for 1 or 2 actuators for swing gates, with built-in radio receiver.

V2 CITY 9

230V analogue control unit for sliding gates

V2 PRGS 2

BENINCA BRAINY

230 Vac control panel for 1 or 2 actuators for swing gates, opposing sliding, hydraulic operators, and industrial folding doors, with built-in radio receiver.

BENINCA THINK

230-400 Vac Control panel for 1 actuator for sectional doors and rolling doors, folding doors with more than two sections, unbalanced shutters and industrial sliding gates. Built-in LCD display.

BENINCA DIL

Application: 1 actuator for roller shutters.

BENINCA SC.EN

Control panel for SC.RES BENINCA.

2. Transmitters - Switches - Antennas

TRANSMITTER PHOX 4ch

Personal Pass transmitter / 433.92 - 868.30 MHz / rolling code

TRANSMITTER BENINCA TO.GO 2VA 2ch

Rolling code transmitter 433.92 MHz with 2 channels with ARC or HCS encoding (settable). The factory setting is ARC code that can be used with both types of Rolling-code receivers made by Beninca.

TRANSMITTER BENINCA TO.GO 4VA 4ch

Rolling code transmitter 433.92 MHz with 2 channels with ARC or HCS encoding (settable). The factory setting is ARC code that can be used with both types of Rolling-code receivers made by Beninca.

KEY SWITCH ELSAMEC RAINDROP

Surface antiburglar key-switch with european cylinder with break release

PUSH BUTTON BENINCA IPB.NO

Industrial surface mounting push buttons with 2 normally open contact.

WIRELESS KEYBOARD V2

Digital radio or wired switch

RECEIVER WALLY 1-U-433

12/24V outdoor receivers / 433.92 MHz / Personal Pass - Royal

RECEIVER WALLY 2-U-433

12/24V outdoor receivers / 433.92 MHz / Personal Pass - Royal

RECEIVER WALLY 4-U-433

12/24V outdoor receivers / 433.92 MHz / Personal Pass - Royal

MR2-U-433

Plug-in receiving module for V2 control units / 433,92 MHz / Personal Pass - Royal

ONE.2WB

433.92 MHz 2 channels universal receiver, in box. Suitable for rolling code, programmable code and advanced rolling code.

PUSHBUTTON MFZ KDT3

Pushbutton MFZ with 5m cable or with 7m cable.

RELEASE BOX GAPOSA

Aluminum security box with key.

RELEASE BOX NORTON

Relasing box lever - outdoor use

ANTENNA V2

Outdoor antenna with protective covering for receivers provided with 2.5 m RG-58 cable.

FLASHING LIGHT BENINCA 230V

230 Vac LED flashing light with built-in aerial.

FLASHING LIGHT BENINCA 24V

24 Vdc LED flashing light with built-in aerial.

FLASHING LIGHT V2 LUMOS- M 24V-230V

Led flashing light.

3. Photocells - Safety

PHOTOCELLS V2 DFN

Synchronised, self-aligning wall-mounted and recessed-mounted photocells

PHOTOCELLS BENINCA PUPILA

24 Vac/dc synchronize of surface mounting photocell with 180° rotation beam. It is possible to synchronised up to 4 couple of photocells. A led makes the centring of the beam easy and fast.

PHOTOCELLS V2 SENSIVA-XS

Miniaturized wall-mounted and pillar-mounted photocells, synchronised and self-aligning

MOVING PHOTOCELLS

Infra-red security system suitable for sectional doors and rolling shutters. Balancing mechanism patented with incorporate photocell that installed in the inferior part prevents the contact with any obstacle in compliance with the european rules EN12453 - EN 12445

PHOTOCELLS V2 SENSIVA-WL

Synchronized, orientable (180°), wall mounted photocells with battery powered transmitter.

SPIRAL CABLE 2x0,75m

Spiral for magnetic switch 2 x 0,75m.

SPIRAL CABLE 4 x 0,75m

Spiral for various applications 4 x 0,75m.

MAGNETIC SWITCH

magnetic switch for pedestrian door.

SAFETY EDGE BENINCA SC.RES

Safety edge in conductive low rubber.

ANGULAR DEVICE SET FOR SC.RES BENINCA

Device kit for SC.RES

ALUMINUM PROFILE FOR SC.RES BENINCA (2m)

Aluminium profile for SC.RES
